

To honor and empower veterans in their adjustment back to civilian life through the giving of monies to various charities whose specific missions are to support wounded veterans and the active military

WHO WE ARE

At NAPE, we believe in giving back. Since 2009, we have distributed over \$3.25 million to help charities support U.S. veterans through our annual NAPE Charities Luncheon. We lend our wholehearted support by covering all luncheon costs, so 100% of the funds donated go directly to the charities. Each year, our luncheon features different speakers and spotlights a group of deserving charities as award recipients.

WHO WE SERVE

Veterans • Wounded Veterans • Active Military

CHARITIES SUPPORTED OVER THE YEARS

"Ryan, an active Army soldier, received his service dog, Canada, free of charge with the help of longtime Canine Companions supporter NAPE Expo Charities Fund."

– Canine Companions for Independence

"NAPE Charities award has supported The Mission Continues in empowering veterans to continue their service in under-resourced communities across the country. In 2017, veterans stepped up to lead over 10,000 volunteers through over 900 service events across nearly 50 metropolitan areas. We really appreciate the past donations from NAPE that have helped accomplish this."

– The Mission Continues

"It was a privilege to be considered a recipient. This money will be used most judiciously in providing the aesthetic surgical and dental needs of our veterans from the Iraq and Afghanistan wars."

– Rebuilding America's Warriors

Serving America's
Military Families

IMPACT A HERO

"The funds were used to help build our AutoMotivation and Woodworking programs teaching veterans how to weld, learn automotive skills such as body and engine repair. In woodworking Veterans with traumatic brain injuries learned how to build things for their homes and gifts for their families and friends. Both programs have given veterans a profound sense of pride in their accomplishment. Again we are grateful for the NAPE Charities donation. It meant a lot to us."
