

NAPE

EXHIBITOR PROSPECTUS

the world's largest global marketplace for the upstream oil and gas industry

WHAT IS NAPE?

NAPE IS THE WORLD'S LARGEST GLOBAL UPSTREAM OIL AND GAS EXPLORATION AND PRODUCTION EXPO

NAPE's expos — hosted annually in February and August in Houston, at the George R. Brown Convention Center — create an environment to establish strategic alliances for doing business and making deals by providing a marketplace for the buying, selling and trading of oil and gas prospects and producing properties via exhibit booths.

Both large and small exploration and production companies make up our growing exhibitor base, and these booths feature where companies' interests abound. Also on the show floor, vendors and service providers showcase the latest technologies and services available to the industry, and capital providers and law firms are ready to help seal the deal.

With its growing international and offshore presence, NAPE utilizes three marks to help distinguish exhibitors' varying business.

80%

of NAPE attendees find such significant value in the expo that they attend every year

“It’s an exciting time. Lots of things are changing, and there are deals to be made — like at NAPE, where deals do happen.”

— Bryan Sheffield
Chairman and CEO,
Parsley Energy

“We have been coming to NAPE since 2007 and, being an international exhibitor, appreciate how our booth has been integrated with the other regions. We were able to make good contacts and found it busier this year than last.”

— Ed Dancsok
Assistant Deputy Minister
and Senior Strategic Lead,
Government of Saskatchewan

NAPE ATTENDEES AREAS OF EXPERTISE

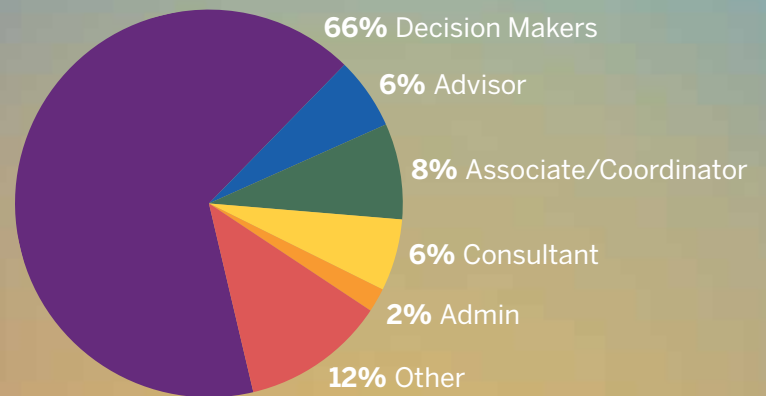

“It was great to walk around and see what other exploration companies are working on. NAPE is one of the only events that gets all disciplines of the exploration industry together.”

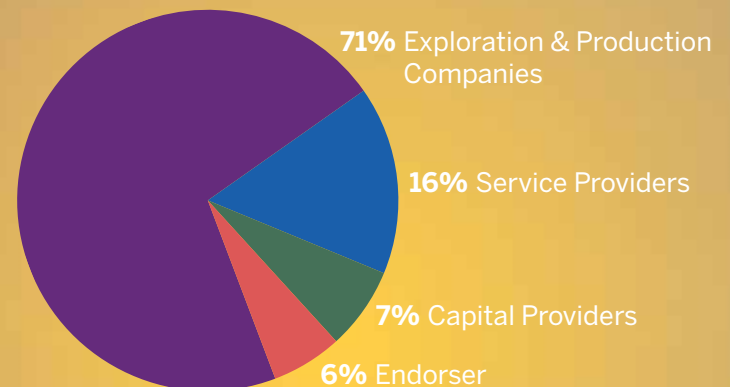

**— John Doughtie
Vice President of Exploration,
LLOG Exploration Company**
