Dear Valued NAPE Supporter,

Get ready for NAPE Summit — a vital event where we not only navigate the future of energy but, more importantly, come together to honor and support our nation's veterans.

This year, we are proud to champion two incredible organizations: American Warrior Association and Salute 2 Service. They are doing vital work to support the mental health, well-being, and daily needs of our veterans and their families, and we are committed to making a difference.

Here's how you can join the celebration:

- ***DONATE TODAY.*** *Since 2009, the NAPE community has raised over $6 million for veterans charities. Every dollar you contribute goes 100% directly to our selected charities, honoring the service of these brave men and women.*
- ***JOIN THE EXCITEMENT!*** *Be there for the charity check presentations during the NAPE Charities Celebration, immediately preceding the NAPE Charities Keynote on Wednesday, Feb. 3.*
- ***CELEBRATE WITH US!*** *The NAPE Charities Celebration will also honor this year's recipient of the NAPE American Hero Award. After the NAPE Charities Keynote, join your peers at the Icebreaker Reception — the perfect way to end the day networking and celebrating the impact of your generosity.*

Your support helps preserve the freedoms we hold dear. Please use the enclosed form to make your donation today. We can't wait to see you at NAPE!

OUR MISSION

To honor and empower veterans in their adjustment back to civilian life through the giving of monies to various charities whose specific mission is to support wounded veterans and the active military.

WHO WE ARE

At NAPE, we believe in giving back. Since 2009, over $6 million has been donated through our annual NAPE Charities event to help charities that support U.S. veterans. In 2019, a group of America's energy producers honored the late President George H.W. Bush with a $1 million donation in his name to the NAPE Expo Charities Fund, to be given in $100,000 annual increments over the next 10 years, to support its mission of honoring veterans. Additional funds raised each year will be added to this and distributed equally between the selected charity recipients. We lend our wholehearted support by ensuring 100% of the funds donated go directly to NAPE Expo Charities Fund to support veteran charities. Each year we strive to bring a memorable event that spotlights a group of deserving charities as grant award recipients.

THE NAPE CHARITIES AMERICAN HERO AWARD

In 2022, the same group of America's energy producers that made the generous donation in honor of President George H.W. Bush donated an additional $1 million to create the NAPE Expo Charities American Hero Award honoring the late Anthony J. DeToto Sr. In addition to his own military service, DeToto was revered for his tireless support of U.S. veterans. Going forward, the annual award will bear his name: the NAPE Charities Anthony J. DeToto American Hero Award.

In honor of his legacy, a portion of the funds donated for this award will be given annually over the next decade to veteran groups supported by the NAPE Expo Charities Fund. AHA award recipients include:

Anthony J. Detoto, Sr. (2023)

Wesley Hunt (2024)

Dan Crenshaw (2025)

Scott Ruskan (2026)

Raymond Plank (2027)

CHARITIES SUPPORTED OVER THE YEARS

K9s For Warriors

Being recognized by NAPE Expo Charities is a profound honor for our organization. It affirms that leaders within the energy industry see the urgency of the veteran suicide crisis and believe in the effectiveness of our mission-driven, evidence-informed approach to addressing it. This recognition not only validates the hard work of our staff, volunteers and warrior alumni, but also elevates national awareness of the invisible wounds veterans carry long after their service ends. It signals to our warriors that their struggles matter — and that respected partners across industries stand beside them in their journey toward healing, resilience and renewed purpose.

Operation Second Chance

We are profoundly grateful to NAPE Charities for your extraordinary $100,000 grant in support of Operation Second Chance and our work at Heroes Ridge. This generous investment is not simply a gift, it is an opportunity for healing. For many of the veterans we serve, trauma does not end when they leave the battlefield. The invisible wounds — PTSD, traumatic brain injury, chronic pain, grief — continue long after service. Your investment allows us to provide a place where healing is intentional, community is strong, and no one walks alone. The impact of this grant will extend far beyond a weekend retreat. It will ripple into stronger marriages, healthier families, renewed purpose and hope restored.
