

2023 NAPE SUMMIT RENEWABLE ENERGY RECAP

[View Photos Here!](#)

RENEWABLES BREAKFAST & NETWORKING TOUR

NAPE extended invitations to renewable energy professionals for a networking breakfast and walking tour. This private event showcased the exhibit hall, NAPE's dedication to the energy industry and our commitment to bringing renewable energy professionals to NAPE Summit as exhibitors, attendees and speakers.

NEW PARTNERSHIPS

NAPE welcomed CleanTX as the first endorsing organization in cleantech and renewable energy. This newly formed partnership has allowed NAPE to create more relationships within the cleantech and renewable energy communities.

RENEWABLE ENERGY PAVILION

The REP hosted multiple sessions to educate traditional oil and gas NAPE-goers about renewable energy's necessity as a complementing energy source and present renewable energy opportunities.

REP Session Recordings:

Renewables: It's Not Texas' First Rodeo
Marcelo Ortego, senior renewable analyst, Rystad Energy

Opposites Attract: How Oil and Gas and Renewables + Storage Are The Perfect Match
Danielle Garbien, partner, Bracewell LLP

Financing Tax Equity in the Post-IRA World
Jim Cole, transactional tax partner, Latham & Watkins LLP

AAPL LAUNCHES RENEWABLE ENERGY CERTIFICATE PROGRAM

The American Association of Professional Landmen — NAPE's managing partner — launched its new Renewable Energy Certification Program and hosted a booth in the REP. The company was able to secure 20 new enrollees from their NAPE marketing campaign that included representatives from Chevron, Diamondback Energy, Purple Land Management and J. Mark Smith & Associates.
